

Our client, Windsor Regional Hospital (WRH), is a multi-faceted health services organization operating from two main sites, the Metropolitan Campus and the Ouellette Campus. With 500 beds and an operating budget of over half a billion dollars, WRH is the regional provider of advanced care in areas that include complex trauma, renal dialysis, cardiac care, stroke and neurosurgery, intensive care, acute mental health, family birthing centre, neonatal intensive care, paediatric services, and regional cancer services. WRH provides a broad range of medical and surgical services required to support these specialized areas for more than 400,000 people in Windsor and Essex County. Windsor Regional Hospital is seeking full-time or part-time:

Anesthesiologists

WRH's Anesthesiologist group covers 22 operating rooms spanning two acute care sites and delivers a broad range of medical care from preoperative anesthesia assessment to advanced service in many perioperative settings. This collegial group supports the subspecialties of Neurosurgery, Vascular, Thoracic, Oral and Maxillofacial, General, Orthopaedic, Otolaryngology, Obstetrics & Gynaecology, Plastics, and Urology. Close to 30,000 surgical procedures are performed each year as well as approximately 3,800 births.

Physicians at WRH have the opportunity to educate and mentor residents from the Schulich School of Medicine and Dentistry, with professional staff members eligible to hold a University appointment.

Candidates must be certified, or be eligible for certification, by the Royal College of Physicians and Surgeons of Canada and hold, or be eligible for, licensure with the College of Physicians and Surgeons of Ontario. CPSO pathway licensure is available for US Board Certified Physicians.

These full-time or part-time positions offer great flexibility and work/life balance and include a very attractive fee-for-service compensation with call stipend, relocation funding, and a \$100,000 return of service incentive for full time equivalent positions.
