## ***Assistant/Associate Professor (Clinical)***

---

Faculty of Medicine – Department of Anesthesia/McGill University Health Centre (MUHC)

---

### **Position description**

The Department of Anesthesia of McGill University and the McGill University Health Centre (MUHC) invite applications for a new permanent position in the Department of Anesthesia. The successful applicant will hold a full-time academic appointment at the rank of Assistant or Associate Professor (Clinical), as a member of the Contract Academic Staff. The professorial rank will be according to the candidate's qualifications and experience. This position does not confer eligibility for tenure.

### **Job Duties**

The McGill University Health Centre (MUHC) is a world-renowned tertiary hospital centre. Located in the vibrant and multicultural city of Montreal, in the province of Quebec, the McGill University Health Centre (MUHC) is affiliated with the Faculty of Medicine at McGill University. It offers a dynamic, multidisciplinary clinical, academic, and research environment that fosters clinical excellence, innovative teaching, and clinical research opportunities. The duties of this position encompass clinical anesthesia together with multidisciplinary chronic pain management at the Alan Edwards Pain Management Unit.

The pain management duties include the following:

- Fully integrate her/himself into the multidisciplinary pain management unit team
- Use knowledge of chronic pain conditions to establish multidisciplinary treatment plans and communicate them to the patients
- Become an expert in interventional pain medicine
- Promote appropriate doctor-patient relationships and advocate for our pain patients
- Understand our place in the network of care and promote good relationships with network partners
- Integrate into the unit's pain education mission
- Become an active member of the unit's clinical research community

The anesthesia duties include the provision of anesthetic and perioperative care to patients at the McGill University Health Centre (MUHC) teaching hospitals (Royal Victoria Hospital, Montreal General Hospital, Hospital Lachine, Montreal Neurological Institute). The successful candidate is also expected to participate in the academic mission of the McGill Department of Anesthesia, i.e. teach medical

---

students, residents and fellows and engage in departmental research activities and demonstrate a commitment to equity, diversity and inclusion in these activities.

### **Qualifications and Education Requirements**

The candidate must hold a valid specialty diploma in anesthesia from a recognized institution. Priority will be given to candidates with previous experience in multidisciplinary pain medicine.

---
